

20 May 2020

Dear Parents and Carers,

Staff have been delighted to receive notes and messages from pupils and parents on 'Teacher Appreciation Day'. As teachers, we, in turn, recognise and appreciate parents who are helping to teach their children at home.

We have been incredibly busy planning for a return to school on 1 June for Years Nursery, Transition, Reception, Year 1 and Year 6. We are fortunate at Radnor to have amazing Admin and Estates team's who have been working closely with the Senior Leadership Team to ensure that the school operates with the highest level of safety for pupils and staff.

As you can imagine, arrangements for year 6 are very different from our plans for the younger age groups and the finer details for each can be found in their year group sections within this bulletin.

Nursery, Transition, Reception, Year 1 and Year 6 - General Information

We would ask that all parents complete the form in Mr Halliwell's welcome to this Bulletin stating their intentions regarding their children returning to school on 1 June. This is vital information for us to be able to accurately work out seating arrangements and staffing levels needed. It is not compulsory for your child to attend school and we would respect whatever decision you choose to take in the best interest of your child or family. We will be prioritising learning in school, but equally, we have staff working remotely to take care of those children remaining at home in these year groups.

Please note that live lessons and feedback will not be taking place this Friday 22 May as staff will be in school with the estate's team making alterations to classrooms to ensure compliance with Government guidelines. We understand that pupils may have left sports kits in school and you may collect these from school on this day by prior arrangement with your child's class teacher.

More detailed information, including timetables and a full risk assessment, will be shared with you by the end of the week.

Radnor House Sevenoaks

Head David Paton MA

Years 2, 3, 4 and 5

These year groups will not be returning on 1 June and we do not yet have a confirmed date for their return so will continue with the excellent remote learning provision. We will let you know about class teachers for September after half term and share with you our plans for transition to their next year group, assessment and reporting and opportunities for social interactions.

Please do contact me by email (dspencer@radnor-sevenoaks.org) or school mobile 07936 368545 if you have any questions or wish to talk through your options.

I would like to thank you so much for your continued support. Radnor really is an exceptional family.

Kindest regards,

Mrs Spencer
