5 July 2019

Dear Parents and Carers,

Make a Difference Day - Wednesday 2 October 2019

For those new to the school, Make A Difference Day is a long-running Radnor House initiative whereby on one school day of the year almost the entire school, (except EYFS and Tea Party hosts), spend the day off-site working with local charitable and community organisations. We work with over 25 local organisations including; The National Trust, Demelza House, Hospice in the Weald, Lullingstone Country Park, The Stag Community Arts Centre, Foal Farm, Bradbourne RDA, Great Stone Bridge Trust, West Kent Mind and English Heritage, together with various churches and nursing homes. This year the Senior Choir will again tour a selection of sites before returning to entertain our guests at the Tea Party with EYFS.

Please note that on the day, all students will need to be transported to and from their site, and packed lunches will not be provided by the school. Students will generally be expected to wear Outdoor Learning Uniform and suitable footwear (or School Uniform if in the Choir). Though the school bus service and wrap care provision will run as usual, please could you ensure that you contact the school in September if you still require wrap care that day. If you do then you will need to make provision to collect your child/ren from the site they attend and return them to RH7.

Please see below details of the sites currently available. Please do not request any sites at this stage as some changes may occur. The request and allocation of sites will occur early in the Autumn Term and information will be sent out via the Bulletin.

Yours faithfully,
