## RH7 Nut Free Policy

Radnor House Sevenoaks aims to practise a nut free policy although we recognise that this cannot be guaranteed.

This policy serves to set out all measures to reduce the risk to those children and adults who may suffer an anaphylactic reaction if exposed to nuts to which they are sensitive.

This means no 'nuts' or food products containing 'nuts' are to be used in the preparation of our menus and staff/parents/children/visitors must not bring foods containing nuts onto the premises to be consumed there.

We aim to reduce the risk to any child, who may have or develop an allergy to nuts, coming into contact with products which could potentially be harmful to them.

We realise that many processed foods e.g. breakfast cereals carry allergy advice similar to this 'may contain traces of nut' or 'cannot guarantee nut free' which are very difficult to avoid and therefore we will speak to parents of any children joining the setting who have a nut allergy to establish the severity of the allergy so that a care plan can be put in place.

We will inform all new parents and carers of this policy in our welcome pack and will remind parents and carers periodically via our bulletins.
